EXCEPTIONAL EDUCATION

Wednesday 18 November 2020

Dear Families and Friends of Geelong Grammar School,

**COVID-19 (Novel Coronavirus) – Update #67 as at 7.00pm on Wednesday 18 November**

We are aware that due to the recent COVID outbreak in South Australia, Premier Steven Marshall has announced that a state-wide lock down will commence from 12.00am tonight, 18 November 2020, for a period of 6 days. We understand that no border restrictions have been imposed by Victoria at this stage, but the Department of Health and Human Services (DHHS) is continuing to closely monitor the situation in South Australia and has noted that it will provide updated advice as required.

We wish to assure you that all students are safe and well on campus. We continue to implement our highly precautionary COVIDSafe practices and will adapt these measures in the usual GGS two-week planning cycle. Heads of Campus, Steven Church and Tom Hall, will speak with South Australian students at our Corio and Timbertop campuses respectively to address any queries they may have.

We will continue to monitor the South Australian situation closely and will provide any further updates as necessary. Our thoughts are with our South Australian families who are entering a period of lockdown; we send strong resolve and best wishes for the days ahead.

Thank you for your ongoing support and care for our community.

Yours sincerely,

**Rebecca Cody**  
Principal
