WE BELIEVE

- boarding and co-education set learners for success
- partnerships between our students, staff and parents provide effective learning outcomes
 - quality relationships are primary to transformational learning experiences
 - academic rigour creates wonder and opportunity
 - Adventure Education is experiential learning through and with nature
 - Positive Education places wellbeing at the heart of our learning community
- Creative Education cultivates the skills of collaboration, problem solving and critical thinking
 - exceptional staff bring great character and richness to the life of the School
 - Christian spirituality and Anglican tradition should be celebrated
 - service leadership is a social responsibility
 - our heritage is advanced through innovation
- prioritising the safety of children and a zero tolerance of child abuse are our fundamental responsibilities

OUR CHALLENGE

Engaging with the
complex opportunities
of an ever evolving world
