Media Statement re: Vaccinations in response to query from *The Age*

Background: The below statement is in response to a query from *The Age* regarding schools encouraging their communities to seek vaccinations and/or arranging vaccinations on site. The media response is consistent with the School's previous statement regarding vaccinations in [Update #25](#) on Thursday 8 July.

“We continue to monitor the COVID-19 vaccination programme phases and priority groups. Given our unique residential context, we will advocate for the timely and appropriate access to vaccinations for our staff and students seeking support with this opportunity.”
