

## Primary Students

Recently, you completed a wellbeing survey which gave us a snapshot of how you have been handling remote learning. Here are the highlights:

You have a high sense of  
perseverance,  
connectedness  
& **happiness**

compared to other students  
your age.

Most of you feel that  
you are **good**  
at **learning**  
from home.

**80%** of you are  
**exercising**  
most days or every day

**84%**  
of you said that you  
**like** your  
**school**

**88%**  
of you feel that your  
**teachers**  
**care** about you.

The majority of you feel  
that your wellbeing would  
improve if you could

return to **school** &  
see your **friends**.
