

CONDITIONS OF ENTRY

1. ADMISSION

- 1.1. Acceptance of the student for admission to, and continuing enrolment in, the School shall be:
 - 1.1.1. conditional upon payment, as per conditions 4.1 and 4.2 in the School's Business Notices, of such fees as the School may determine; and
 - 1.1.2. at the sole discretion of the School.
- 1.2. A reference to 'these conditions' in this document is a reference to the Conditions of Entry.
- 1.3. These conditions contain the agreement between the parents and the School in accordance with which the student is admitted to, enrolled at, and attends the School.

2. SCHOOL RULES

- 2.1. It is a condition of the student's admission and continuing enrolment at the School that the parents shall ensure, and accept responsibility for, the student's compliance with those rules which the School may establish from time to time for the good conduct of the School and its students.
- 2.2. The parents hereby acknowledge having been informed and agree that the proper management and operation of the School may require the School to act from time to time in a manner which the School deems to be appropriate and to do so without consultation with the parents, particularly in circumstances where the School rules have been breached or the student is considered by the School in its sole discretion to have undertaken conduct not approved by the School.
- 2.3. The School rules may be varied from time to time by the School and such variation shall continue to apply to the student and, as appropriate, to the parents. The School shall provide details of any variation but regardless of whether the student and, as appropriate, the parents are aware of such variation, the School rules shall apply in their varied form.

3. FEES AND SUNDRY EXPENSES

- 3.1. The parents shall at such times as the School may require, pay to the School such fees as the School may determine, and reimburse any expenses incurred by or on behalf of the student.
- 3.2. If fees and expenses are not paid in accordance with the School's requirements, including any expenses incurred by or imposed on the student as a result of any breach of the School rules or other misconduct by the student, the School may refuse to allow the student to attend, or may remove the student from the School.
- 3.3. Unpaid fees and expenses shall accrue interest from the date of default in payment (or such other date as may be considered appropriate by the School) at the rate or rates determined by the School from time to time and an administration charge determined by the School may be charged, which the parents hereby consent to pay in full.
- 3.4. The parents agree to pay all costs incurred by the School in recovering or attempting to recover unpaid fees and interest including, but not limited to, legal costs and disbursements incurred by the School.

4. NOTICE

- 4.1. Where a place is offered by the School and accepted but not subsequently taken up, the parents shall give the Registrar of the School written notice at least one (1) complete term prior to the last day of the term which immediately precedes the term in which the student was due to commence attending the School. If such notice is not given, the parents agree to pay the School liquidated damages of 75% of the fees as published by the School for the term in respect of which the student was due to commence attending the School.
- 4.2. Subject to Clause 5, before removing the student from the School for any reason, the parents shall give the Registrar of the School written notice of no less than one (1) complete term prior to the day

on which the student will last attend the School. If such notice is not given, the parents agree to pay the School:

- 4.2.1. all fees and expenses due and payable for the whole term during or at the end of which the student is removed; and
- 4.2.2. liquidated damages of 75% of the fees as published by the School for the term following that term and which would otherwise have been applicable to the student as though the student had not been removed from the School.
- 4.3. The parents agree that the calculation of liquidated damages referred to in clauses 4.1 and 4.2 represents a proper and appropriate calculation of the actual loss suffered by the School for failure to give appropriate notice.
- 4.4. Any refund of fees will be processed at the end of the term to which those fees relate.

5. TEMPORARY STUDENT ABSENCE FOR ILLNESS

If parents temporarily remove a student who has become ill, the notice provisions under clause 4 will not apply. The School, in its sole discretion, may grant a rebate of fees for an absence due to illness exceeding fourteen (14) consecutive school days. No rebate shall be granted where parents choose to remove the student because they fear infection at the School. Whether a place will be held open for a student removed due to temporary illness shall be at the sole discretion of the School and subject to such conditions as the School may determine.

6. TEMPORARY ABSENCE FOR STUDY OR SIMILAR PURPOSE

Where the parents give notice under Clause 4 that the removal of a student is for study or other similar purpose, the School may in its sole discretion hold the student's place open for up to one (1) year on the condition that a non-refundable holding fee, to be determined by the School having regard to the period for which the student's place will be kept open, is paid on the next date that fees would otherwise be payable pursuant to Clause 3.

7. OBSERVANCE OF DATES

Students returning to School must rejoin their boarding house or classes as the case may be, on the dates fixed for resuming and must not leave School at the end of a term until the recognised closing dates.

8. DISCIPLINE

- 8.1. The parents hereby acknowledge that attendance of the student at the School shall be at the sole discretion of the School irrespective of whether the parents or the students are in breach of any of these conditions.
- 8.2. The parents agree that the proper and effective operation of the School requires the School to be able, in its sole discretion:
 - 8.2.1. to terminate the right of the student to attend the School; and
 - 8.2.2. to discipline or suspend the student.
- 8.3. The parents agree that if the School intends to exercise the power to:
 - 8.3.1. terminate the right of the student to attend the School; or
 - 8.3.2. discipline or suspend the student;the School is not obliged to give any notice or reason for so doing.
- 8.4. The parents further agree that if the School intends to exercise or does exercise the power conferred by Clause 8.2, the parents will not bring any proceeding, whether at law or in equity, against the School or against any employee or agent of the School, because the powers will be or have been exercised.
- 8.5. The parents further agree that they will indemnify the School and all employees and agents of the School in respect of any claim made or proceeding instituted by the student as a result of the proposed exercise or exercise of the power conferred by Clause 8.2, such indemnity to include an indemnity for all costs incurred in defending such a claim or proceeding.
- 8.6. For the avoidance of doubt, the parents hereby expressly forego and abandon any claim that they might otherwise have against the

School or against any employee or agent of the School as a consequence of the exercise or intended exercise by the School of the powers conferred by Clause 8.2.

8.7. If the student is suspended or expelled, the School shall retain or be entitled to be paid the fees for the term in which suspension or expulsion occurs and the parents shall forfeit all right to recovery of those fees. The parents acknowledge that such retention or payment of fees will be a proper and genuine estimate of the loss and damage suffered by the School caused by such suspension or expulsion and that such retention or payment shall properly be considered to be by way of payment of liquidated damages.

8.8. Where the student is suspended or expelled and the fees are unpaid at the date of suspension or expulsion, the parents agree that they shall be liable to immediately pay to the School all fees, expenses and any interest then outstanding in relation to the student up to and including fees payable to the end of the term in which such suspension or expulsion occurs. In this event the parents waive and abandon any set-off or counterclaim arising from the student's inability to continue to attend the School.

9. MEDICAL AND RELATED EXPENSES

The parents shall be responsible for all medical, hospital, dental and other expenses incurred by or on behalf of the student arising from or in connection with any injury or illness suffered by the student while attending the School or taking part in School activities, and the parents authorise the School to obtain such treatment for the student as the School in its sole discretion may determine. The parents acknowledge that they are solely responsible for obtaining insurance sufficient to meet the costs arising out of such injury or illness.

No error in, non-receipt or late receipt of, a Business Notice shall bind the School or entitle the parents or the student to any relief from their obligations contained in these conditions or a Business Notice, nor shall it entitle the parents or student to any compensation arising from any loss or damage allegedly suffered as a consequence of such error, non-receipt or late receipt.

13. ADDENDA TO CONDITIONS OF ENTRY
