

The John Brazier Club

Founded in 1972, the John Brazier Club has the following objectives:

- To promote ongoing communication and friendship with old Geelong Grammarians sharing a common interest - sailing!
- To make sailing students aware of the history of the school sailing club and invite their ongoing participation.
- To support the school and sailing students in their activities.
- To help finance the sailing club to develop and upgrade the facilities, equipment and sailing fleet.
- To assist with the maintenance of the club.
- To promote the sport of sailing by giving the school and its students access to a wealth of nautical knowledge and practical experience in almost every aspect of sailing.

Please, note: We offer either Individual Life Membership with an option of including an extra family member, or Past GGS Sailor Life Membership. All new members receive a Brazier Club cap.
