I AM PLEASED TO PRESENT THE CHAIRMAN'S REPORT FOR 2014 TOGETHER WITH THE ABRIDGED 2014 FINANCIAL ACCOUNTS FOR GEELONG GRAMMAR SCHOOL.

COUNCILREPORT

The School is in good financial shape and performing well across its academic and pastoral objectives, inspiring our students and community to flourish and make a positive difference. Our enrolments are as strong as ever, with student numbers at Corio (both Middle School and Senior School) and Timbertop particularly pleasing. I am delighted to report that girls' boarding is also very strong and that the School continues to attract students from every state and territory of Australia as well as from 22 countries on five continents seeking an exceptional education.

I attended the opening of the School for Performing Arts and Creative Education (the SPACE) in May. The SPACE is a wonderful addition to the School which was made possible by the many donors who provided half of the \$20 million project cost. The fundraising campaign was led superbly by Ian Darling (P'79) with significant support from the Geelong Grammar Foundation and the School's Community Relations Office. The SPACE is a magnificent facility that will inspire great things from students and staff. A highly functional building, it comprises The David Darling Play House, with seating for 800 people, The Bracebridge Wilson Studio, with seating (on three sides) for 270, a digitally interactive foyer, classrooms and rehearsal spaces that nurture collaborative, creative and innovative learning.

The School opened the refurbished Manifold House in August. Manifold is the fourth boarding house to be refurbished as part of the ongoing renewal of the School's boarding facilities at Corio, in addition to the construction of Elisabeth Murdoch House (which was opened in 2010). The refurbishment provides excellent accommodation for Senior School boys and was designed to satisfy the different requirements of privacy, study, play and pastoral care. The School Council, together with management and staff, devoted a significant amount of time to ensure that the new wing complemented the heritage features of existing buildings, particularly given its proximity to the Dining Hall.

The Exceptional Futures fundraising campaign continues to produce excellent results. The campaign has raised over \$26 million and, with the successful completion of the SPACE, the focus has now turned to finalising fundraising for the Toorak Wellbeing Centre. I am delighted to report that fundraising for scholarships and Positive Education continues to attract significant contributions. The School is very grateful for all the support from our community.

The Institute of Positive Education delivered over 4,000 training days in its first full year of operation. Whilst staff, students and the wider GGS community continue their Positive Education journey, the Institute has also been training teachers and staff from other schools and institutions, both in Australia and overseas, including Hong Kong and Singapore. The amount of interest in Positive Education is remarkable. Oxford University Press published *Positive Education: The Geelong Grammar School Journey* in May, which guides educational practitioners through the key facets of the School's approach to wellbeing, whilst the Institute is discussing potential areas of cooperation with State and Federal governments.

Following the success of our development of Positive Education, the School is now pursuing the concept of Creative Education with similar vigour. We believe that creativity and innovation in all disciplines and subjects will be a critical skill for the 21st-century and the School is determined to inculcate it throughout our curriculum. To this end, we have appointed Dr Tim Patston as Coordinator of Creativity and Innovation.

Since my last report, three members of Council have retired; Deputy Chair, Paddy Handbury (M'72), who has been on Council since 2003, current parent Justin Arter, who has been on Council since 2005, and Peter Chomley (Ge'63), who has been on Council in his capacity as President of the Old Geelong Grammarians since 2011. I am very grateful to them for their hard work and dedication. Their knowledge, enthusiasm and wisdom will be missed.

**THE SCHOOL IS
VERY GRATEFUL
FOR ALL THE
SUPPORT FROM
OUR COMMUNITY**

The School benefits enormously from the dedicated support of the Foundation, led by Bill Ranken (M'72), and the OGGs, led by Peter Chomley (Ge'63). These organisations, together with the myriad of support groups and volunteers, is what makes our community so special. I would like to thank them all for their hard work and support in 2014.

I would like to congratulate Stephen Meek, who has been re-appointed as Principal for a third five-year term, especially for his outstanding leadership. He is ably supported by Vice Principal, Charlie Scudamore, Commercial Director, Andrew Moore, and Director of Community Relations, Tony Bretherton. The School Council is very appreciative of the hard work and dedication by all staff; I think the results speak for themselves.

Geelong Grammar School's abridged accounts for 2014 follow this report. The financial position is sound, allowing the School to continue its investment in programmes and facilities. The School has undertaken a significant building programme in recent years; a programme that has been made possible by the strength of enrolments.

The School continues to provide a broad and liberal education in a caring, very high quality, pastoral environment. The School remains at the forefront of education, both nationally and internationally. It continues to flourish and provide students with an exceptional education. The School Council is very confident that the School is well positioned to meet future challenges.

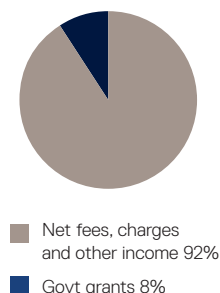

If you have any questions on the accounts or this report please contact the School's Commercial Director, Andrew Moore, on +61 3 5273 9255 or email commercialdirector@ggs.vic.edu.au.

FOUNDATIONREPORT

The Foundation has had an excellent year. We have received a total of \$26 million in cash and pledges since 2012, including \$5.3 million in cash donations in 2014. Total endowment and scholarship fund assets have now reached \$36 million, up 21% in 2014. There has been record membership of our bequest society, the Biddlecombe Society. \$1 million was given and pledged at the launch of the Michael Collins Persse Scholarship Fund, including the pledge of “a live steer a year” by Jeremy Madin (FB’64). \$1 million was given for Positive Education. The inaugural Geelong Grammar School Medal for Service to Society was awarded to Mechai Viravaidya (P’59). The \$20 million School for Performing Arts and Creative Education (the SPACE) was built.

All of these achievements, as well as many others not listed, only happened because of individuals: individuals who believe in education, building a better future for our children, “being of service” as Kurt Hahn put it and, most importantly, individuals who press on and “make things happen”. \$10 million of your gifts and pledges made the SPACE happen. Ian Darling (P’79) and the Darling family, as well as many others, including the Calvert-Jones family, provided the leadership for this campaign. We are most grateful to them and to all those who have contributed.

\$4.4 million has been raised for the Toorak Wellbeing Centre from gifts, pledges and support from the School. Our remaining fundraising goal is \$3.5 million. Thank you to all those who are making this happen, especially Amanda Burt and Susannah Calvert-Jones.

\$2.7 million was donated to scholarship funds in 2014. The Michael Collins Persse Scholarship was launched, the quiet phase of fundraising for the T.R. (Tommy) Garnett Scholarship commenced, two more Indigenous scholarships were established by the Helen McPherson Smith Trust (there are now over 25 Indigenous scholars at the School), the Pope Family Scholarship was established and the Sevier Family Scholarship was established by our Deputy Chair, John Sevier (P’79), Rebecca Gorman and family. I would like to thank John Simson (Cu’73) for his enthusiastic leadership of our Scholarship Committee, Neil Robertson (FB’72) for making the Michael Collins Persse Scholarship campaign happen, and our Deputy Chair, Penny McBain, for making the T.R. (Tommy) Garnett Scholarship campaign happen.

A \$1 million gift was pledged to the Institute for Positive Education in 2014 – thank you Geoff Handbury. As many of you know, Geoff and his late wife Helen have been philanthropic leaders of Positive Education and the Handbury Centre for Wellbeing is named in their honour. This new gift by Geoff will support the work of the Institute of Positive Education, which was established at the beginning of 2014 to grow Positive Education through the provision of training, research and development. I would also like to thank Paddy Handbury (M'72), who retired as Chair of our Positive Education Fundraising Committee in 2014.

Membership of our bequest society, the Biddlecombe Society, has doubled over the past six years. Thank you to all those wonderful people who have joined. Thank you to Michael Collins Persse, Neil Robertson (FB'72) and the Biddlecombe Society Committee for their energy and leadership. Thank you to Hartley Mitchell and David Endean, who retired from the committee after a number of years of energetic service. Thank you to Will Jones (Cu'72) for providing a fully funded scholarship by way of a \$1.5 million indexed bequest in his will. Will explained that his motivation was to honour his parents, who made significant sacrifices to send Will and his three siblings to GGS, and to reflect his father's love of his time at Corio and the great friendships he made there. The scholarship will be named after Will's late father, Edward James Phillips Jones (Cu'38).

Total Endowment and Scholarship Fund Assets were up \$6.3 million or 21% to over \$36 million at December 31, 2014. This gain of \$6.3 million was \$2.8 million of donations, \$1.5 million of investment gains and \$2 million of the Whittingham Scholarship (transferred from the School). The scholarship funds pay out 4% per annum to the School to fund scholarships and re-invest any balance above 4% so as to maintain the purchasing power of scholarship funds over the long term. Investment performance was a satisfactory 7.6% in 2014. Over the last ten years our investment performance is roughly in line with our rolling 10-year target of Consumer Price Index plus 6% per annum. We seek the best long-term asset allocation and the best long-term fund managers, with the assistance of our investment advisers, JANA. I would like to thank Warwick Johnson (FB'77), who retired as Chair of the Allocations and Investment Committee, and Will Jones (Cu'73), who succeeded him.

Annual Giving slightly increased the amount raised and the number of donors in 2014. Annual Giving is being energised by individuals writing to their friends and refreshing old connections. My thanks to Donald Robertson and his committee for their enthusiasm to lift our Annual Giving Campaign.

**BUILDING A
BETTER FUTURE
FOR OUR
CHILDREN**

The parties continue. The very best was the inaugural Geelong Grammar School & Geelong Grammar Foundation Dinner, which incorporated the James R. Darling Memorial Oration by Ian Darling (P'79), the launch of the *100 Exceptional Stories* book and the Geelong Grammar School Medal for Service to Society being awarded to Mechai Viravaidya (P'59). There was also the launch of the Michael Collins Persse Scholarship, Year 10 Parent Dinner, Timbertop Parents' Cocktail Party and Past Parents' Network functions – thank you Markela Peck and her Past Parents' Network Committee for all their wonderful work. Strong community connections are fundamental to what we do.

I would like to thank those Directors who have retired over the last year. Brigid Robertson (Gordon, CI'77), who with her husband Hugh has contributed and continues to contribute so much, especially to The Toorak Wellbeing Centre and the establishment of the Past Parents' Network, Year 10 Parent Dinner and Timbertop Parents' functions. Warwick Johnson (FB'77), whose energy and wise counsel we shall miss at the Board, and who, I am delighted to say, is continuing on the Positive Education Fund Raising Committee. Paddy Handbury (M'72) has also retired after many years of exceptional service. Paddy was my predecessor as Chairman and was the leader of the Campaign for GGS, which resulted in the building of the Handbury Centre for Wellbeing at Corio and the Glamorgan Centre at Toorak. He also proposed the

Foundation's \$1.9 million grant to start Positive Education and served on a number of other Foundation committees and the School Council as Deputy Chairman.

None of the achievements outlined would be possible without the strong support and energy of the School Council, particularly Jeremy Kirkwood (FB'79), the Old Geelong Grammarians, especially outgoing President Peter Chomley (Ge'63), our Non-Executive Directors, the Principal and staff of the School. I would like to pay particular tribute to Tony Bretherton, our Executive Director and the School's Director of Community Relations, and his excellent staff.

I believe philanthropy is alive and well at GGS. I have and I know many others have taken great pleasure from "making things happen". I hope that over time every member of our extended community will take a moment to look at all the programmes, buildings and scholarships we now have, to reflect on how we have benefitted from the generosity of previous generations, and then consider making your own contribution or bequest to help ensure that we leave the School in better condition than when we arrived.

Bill Ranken (M'72)
Chairman, Geelong Grammar Foundation

FOUNDATION FINANCIAL SUMMARY

For over 150 years Geelong Grammar School has been entrusted with the formation and education of young men and women. Many parents, Old Geelong Grammarians and friends of the School have provided gifts and endowments, helping to create the School we have today. The foresight and generosity of donors has been and is transformational. The Geelong Grammar Foundation now leads the philanthropic and fundraising activity for the School and is responsible for ensuring that each gift is used or endowed effectively and as intended by each benefactor. The Foundation is appointed by the School Council to be Trustee for the Scholarship Fund, J.R. Darling Memorial Fund and the Geelong Grammar School Endowment Trust.

AS THE OUTGOING 63RD
PRESIDENT OF THE OLD GEELONG
GRAMMARIANS, I GIVE HEARTFELT
THANKS AND LEAVE THIS
ASSOCIATION IN EXCELLENT HANDS.

OGGREPORT

I am proud of working with a committee that, I feel, has done an excellent job in supporting and promoting our OGG community and in working constructively with the wider GGS community. I am thankful for continuing the family representation 163 years after my ancestor, Hussey Burgh Macartney, was asked to create a Geelong school and 100 years after my great grandfather, Henry 'Percy' Douglass (GGS 1869-76), was President of the OGGs. I am also sad as my term expires as I feel I am stepping back from a wonderful family of friends and acquaintances that make this great community what it is today.

The last four years have seen a number of projects come to fruition, including the launch of two books, *Light Blue Generations: A History of The Old Geelong Grammarians* and *Proud to be Women: A History of The Hermitage*, Geelong 1906-1975, and a new plaque in the War Memorial Cloisters. The OGGs have supported the Institute of Positive Education, which ran an excellent workshop for OGGs in 2014, the School for Performing Arts and Creative Education (the SPACE) and the inaugural Geelong Grammar School Medal for Service to Society, which was awarded to Mechai Viravaidya (P'59). We have also hosted various reunions and events, both in Australia and around the world, from the bi-annual OGGAsia in Malaysia to the Tower Luncheon at Corio.

The other two projects we have been working on are the re-establishment of the OGG Mentoring programme, an extension of our very successful Year 10 Careers Discovery Day (pictured left) aimed at supporting young OGGs as they enter the workforce, and the cataloguing of Michael Collins Persse's collection of OGG-related records, memorabilia and correspondence. Thanks to Edward Cabot (P'82) and Susie Officer (Je'83) for their assistance cataloguing Michael's vast collection.

I would very much like to thank Principal, Stephen Meek, and his team for their support and the excellent work they do for the School, including Commercial Director, Andrew Moore, and Director of Community Relations, Tony Bretherton. I would like to thank Bill Ranken (M'72) and the Geelong Grammar Foundation, who have done an outstanding job building a very strong corpus. I would also like to thank Vice Principal, Charlie Scudamore, for his leadership with Positive Education and Senior Chaplain, Reverend Eleanor O'Donnell, for her spiritual guidance.

PROMOTING OUR OGG COMMUNITY

I would especially like to express my thanks and gratitude for the support and commitment of the many past students who have given their time serving on the various OGG, HOGA and COGA branches and committees around the world. Without their altruism our community would not have the presence it has today. Katie Rafferty (Spry, Ga'84) continues to keep our community flourishing, ably supported by Iga Bajer and Cathy Vickers-Willis. Our Vice President, Lachie Stevens (M'96), and Treasurer, Stuart Whitehead (Cu'94), have made my job so much easier – I thank you for your wise and timely counsel. To our HOGA President, Deidre Griffiths (He'68), and COGA President, Margie Gillett (Cordner, Cl'71), who have both worked tirelessly to ensure all their community members are well represented and heard, thank you. Thank you also to Ian Haigh (FB'63), who recently retired after many years of service and active

work on mentoring. To our current OGG Committee members: David Henry (FB'69), Nina Anderson (Thomas, Cl'93), Simon Kemp (Cu'70), Peter Thompson (M'77), Pin Affleck (Cl'97), Ian Coltman (A'77) and Andrew Swan (Fr'07), to our OGG finance subcommittee members Tim Bayles (FB'99), John Cleary (M'99) and Will Richardson (M'02), and to all our branch committee members past and present – many thanks and I will miss you all.

As I slip into my dotage, I will look forward to reading the OGG Newsletters and hearing of the growth and educational leadership of our great School and community.

Peter Chomley (Ge'63)
President, Old Geelong Grammarians
