# SCHOOL PERFORMANCE INFORMATION 2018

## 1. CONTEXTUAL INFORMATION ABOUT THE SCHOOL

Geelong Grammar School is an independent Anglican co-educational boarding and day school. From its origins in 1855, the School has always had a distinctive character and has built an international reputation as a pioneer of modern education. After outgrowing several Geelong locations the School moved to a 245-hectare site on the edge of Corio Bay in 1914, creating the unique learning and living environment that exists today. In 1953 it established Timbertop, a remote campus in the foothills of the Victorian Alps. Timbertop is an exemplar of Adventure Education, modelling experiential learning through and with nature by providing the School's Year 9 students with a full school year living, working and studying in the Australian bush. In 2009, it introduced its world-leading Positive Education programme, which places wellbeing at the heart of learning communities. Developed from the science of Positive Psychology in collaboration with Professor Martin Seligman and his team from the University of Pennsylvania, Positive Education focuses on encouraging students to find purpose and lead engaged and meaningful lives. Positive Education is taught at each year level, at every campus, and across all aspects of school life. In 2015, it opened its School for Performing Arts and Creative Education (The SPACE), which was a catalyst for the School's development of Creative Education, as well as providing a focal point for the Performing Arts. Creative Education cultivates the skills of collaboration, critical thinking, problem posing and problem solving.

Geelong Grammar School has a non-selective enrolment policy and more than 1,500 students, including more than 900 boarders, who are supported by more than 400 staff members spread across four specialist campuses:

**Bostock House**, Newtown, Geelong  
3-year-old ELC to Year 4 – Day students

**Timbertop**, near Mansfield  
Year 9 – Full Boarding students

**Toorak Campus**, Melbourne  
3-year-old ELC to Year 6 – Day students

**Senior School**, Corio, Geelong  
Years 10 to 12 – Day Boarding and Full Boarding students

**Middle School**, Corio, Geelong  
Years 5 to 8 – Day, Weekly and Full Boarding students

## CURRICULUM

Geelong Grammar School offers a dynamic and flexible curriculum. The School's two Early Learning/Primary campuses, Bostock House and Toorak, take inspiration from the Reggio Emilia philosophy. The Toorak Campus was the first school in Victoria to introduce the Primary Years Programme (PYP) of the International Baccalaureate (IB). Explicit teaching of the School's Positive Education programme begins at Middle School (Years 5-8). Timbertop, the School's remote Year 9 campus located in the foothills of the Victorian Alps, combines a rigorous academic programme with a challenging outdoor education stream. Senior School students (Years 10-12) have the choice of the Victorian Certificate of Education (VCE) or the International Baccalaureate (IB) Diploma for entry into tertiary study. More than 80% of Senior School students are boarders. Senior School day students experience the benefits of boarding through the School's unique day boarding programme, which consists of an 8.30am-8.30pm school day and includes lunch, afternoon sport and activities, dinner and supervised evening study. The Senior School timetable includes six 50-minute periods between 9.00am and 3.30pm each day (except Wednesday when academic classes finish at 1.10pm to allow for extended afternoon sport).

## 6. SENIOR SECONDARY OUTCOMES

Geelong Grammar School offers both the Victorian Certificate of Education (VCE) and the International Baccalaureate (IB) Diploma at our Senior School Campus at Corio to meet the diverse needs, learning styles and personal goals of our students. Both academic programmes provide an internationally recognised qualification for entry into tertiary education worldwide. As a non-selective school, Geelong Grammar School is proud of all students' results and gauges the success of every student with respect to their ability, effort and perseverance.

The graph below indicates the percentage of Geelong Grammar School students who ATAR scores that placed them in the top 1%, 5%, 25% and 50% of students in Victoria.

In 2018, there were 156 VCE candidates and 66 IB candidates. Tertiary places are decided by the Australian Tertiary Admission Rank (ATAR), which is a percentile ranking of each student's position determined by the Victorian Tertiary Admissions Centre (VTAC) in steps of 0.05 ranging from 0.00 to 99.95. When combined, the School's median ATAR was 79.9, which means that the top 50% of our students were in the top 20.1% of the State.

The table below indicates the percentage of Geelong Grammar School students in the top 5%, 10%, 25% and 50% of students in Victoria from 2009-2018.

	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018
