## I AM PLEASED TO PRESENT THE CHAIRMAN'S REPORT FOR 2015 TOGETHER WITH THE ABRIDGED 2015 FINANCIAL ACCOUNTS.

# COUNCIL REPORT

2015 was a year in which, although successful and strong academically and operationally, provided great sadness and contriteness as we confronted the revelations of historical sexual abuse at the School. We appeared before the Royal Commission into Institutional Responses to Child Sexual Abuse in September and October 2015. The appearance involved nine days in Melbourne in September and two days in Sydney in October. The Principal and Commercial Director attended the Royal Commission in person each day and I attended on all days but one. It was important that we attended and heard first-hand the evidence from survivors and others called to give testimony. Each of us also appeared before the Commission and gave extensive evidence of our own.

The Principal communicated regularly with all members of the GGS Community ensuring that at each important stage our community was kept informed of key matters as they occurred. On behalf of the Council and the whole School community, I would like to thank the Principal for his management and leadership during this very difficult time for the School. As Chair of Council I observed the incredible workload and burden carried by the Principal. There was extensive time meeting and corresponding with survivors and guiding the School's appearance at the Royal Commission. The Principal was supported and assisted by the Commercial Director, Andrew Moore, during this difficult time and his work is also greatly appreciated. Pleasingly, despite the public and media attention on the School, the students and staff at our four campuses continued to focus on the busy day-to-day life that our School provides and were not significantly impacted by those external happenings. It is important to note that Council is satisfied that the current policies are sound and will continually be evaluated and improved to ensure they are as good and robust as they can possibly be. I am also deeply appreciative of the work of the Vice Principal, Charlie Scudamore, and other senior staff who managed the School during this difficult time. The Counsel assisting

the Royal Commission will be presenting the available findings to the Commissioners and a final report is not expected until late 2016, although we have not received any guidance on timing from the Commission. It will be a public report and available on the website when it is handed down.

During the Royal Commission process I committed the School to consider what actions we could take to recognise the terrible ordeal of survivors of sexual abuse. Consequently, the School has established a Recognition Committee chaired by David Moore to consider an appropriate form of recognition for survivors of child sexual abuse at Geelong Grammar School. The Committee has now met three times and has presented its recommendations to the School Council. We are undertaking a number of initiatives that have benefitted from the excellent input from the Recognition Committee. Consequently, I believe the School will build healing relationships with survivors and emerge even stronger as a result of this process.

The Institute of Positive Education was established two years ago and since then has been training teachers and others across Australia and internationally. There has been the equivalent of over 4,000 teacher training days scheduled for each year. This important work continues the School's development of Positive Education for the benefit of the School and for education more broadly. The Council believes this strategic investment is a critical part of the School's future and the work of the Institute will continue to be refined and strengthened.

The School for Performing Arts and Creative Education (the SPACE) was opened in May 2015 and has provided an incredible building for the School. Whilst the physical environment is impressive in itself, it is the introduction of creativity into the School's offering that has completed the project. The initiative strengthens the opportunity for students and staff at the School to ensure that they have the skills and confidence to be able to survive and operate in an increasingly complex

environment. It also, very importantly, provides a place where the whole campus can come together for assemblies and other purposes. In much the same way as what the opening of the Handbury Centre for Wellbeing did for the School, we will soon wonder how we ever managed without it.

The School Council recently announced that the Toorak Wellbeing Centre is to be built on the sites currently occupied by the Butler Centre and 25 Jackson Street. This is a very exciting development for our Toorak Campus community and will complete the Masterplan developed some years ago that essentially required the rebuilding of the entire campus. The fundraising will continue during construction and I would ask you to continue your support for the Centre as it will be a tremendous addition to the campus.

**THE SCHOOL IS  
PERFORMING  
EXCEPTIONALLY  
WELL**

The Geelong Grammar Foundation continued to provide exceptional support to the School under the leadership of Bill Ranken (M'72), who recently stepped down as Chair of the Foundation. I am very grateful to Bill for his enthusiasm, passion and hard work for the School and the Foundation. I am delighted to advise that Penny McBain has been elected as the Chair of the Foundation and I look forward to working with her. The Old Geelong Grammarians continue to thrive under the leadership of Margie Gillett (Cordner, CI'71). The School was particularly fortunate to have the support of so many OGGs during the Royal Commission hearings and I am personally very appreciative for the extensive support offered to me from so many OGGs.

The School's abridged accounts for 2015 follow this report. Enrolments remain very strong which means that the School is in a robust financial position with a good operating surplus to sustain the School's scope and structure for the future. We

have provided for expected financial settlements with survivors as, some of the expected cases, were not historically covered by the School's insurance policies.

The School is performing exceptionally well across a wide range of disciplines; including academic, co-curricular and pastoral. The School's offering remains world class and the School Council has full confidence in the leadership, management and staff of the School knowing that it is well positioned for the future.

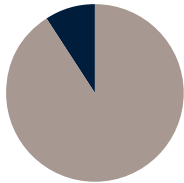

If you have any questions on the accounts or this report please contact the School's Commercial Director, Andrew Moore, on +61 3 5273 9255 or email [commercialdirector@ggs.vic.edu.au](mailto:commercialdirector@ggs.vic.edu.au).

# FOUNDATION REPORT

The first thing to announce is that I am retiring as Chair and that the Board has unanimously elected Penny McBain to be the next Chair of the Foundation. My feelings are summarised best by Shakespeare: 'parting is such sweet sorrow'. However, Penny has asked me to stay on as a Director.

It has been a privilege to be your Chair. I have been involved first as a Director and then as Chair for a combined 10 years. I have been honoured and humbled that so many good people have joined in and helped achieve so much over that time.

Some of the achievements of the past decade include:

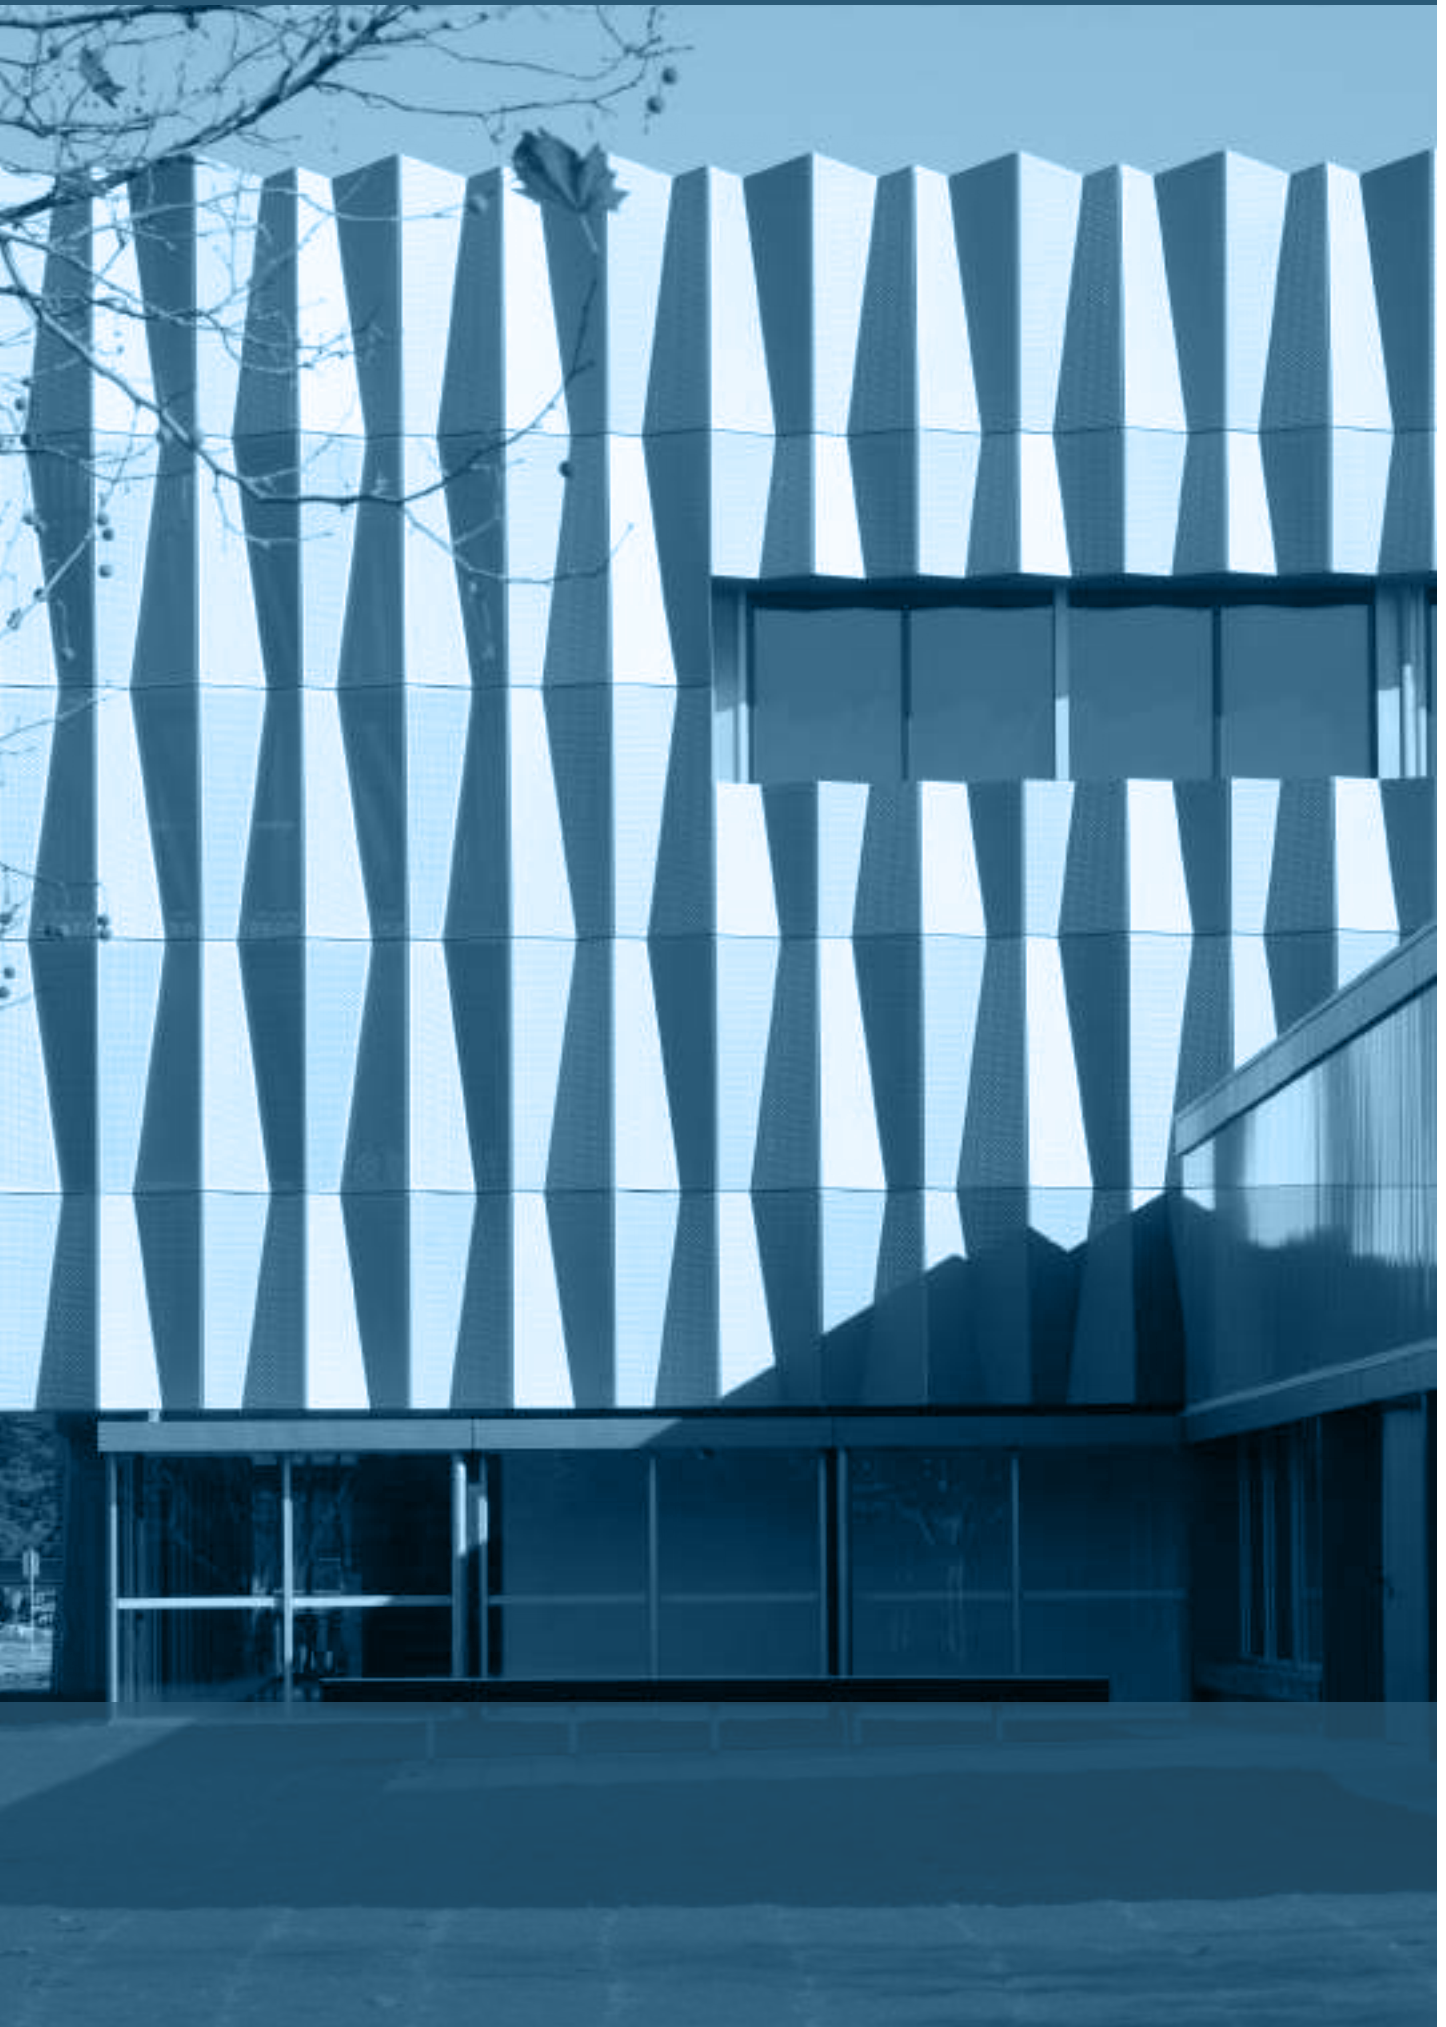

- Number of bequests more than doubled, with most for scholarships
- \$39.8 million of assets now in the Scholarship and Endowment funds, with an average investment return of 9.8% per annum over the last 10 years (which included the global financial crisis)
- \$10 million raised for the magnificent new School for Performing Arts and Creative Education (the SPACE), including The David Darling Play House and a commitment to teaching creativity and innovation
- \$6.7 million raised and pledged towards the Toorak Wellbeing Centre
- \$3 million contributed by the Foundation and donors to Positive Education
- The David William Robert Knox Equestrian Centre built, with 90% of funding from donations and users

Thank you to all those who have made and are making these achievements possible. I would especially like to thank all the Non-Executive Directors of the Foundation, past and present, as well as the leaders and committee members of all our campaigns and committees. Over the past decade, the Foundation Board has doubled in size. There are now over 20 Foundation sub-committees and working groups of energetic community members. You all deserve the greatest credit for your energy and generosity. I would also like to thank the Chair and Members of the School Council, the President and Committee members of the OGG Association, HOGA and COGA, the Principal, Vice Principal, Commercial Director and all the School staff, particularly our Foundation Executive Director, Tony Bretherton, and his predecessors, Elizabeth Pont and Maria Hamilton, as well as all the Associate Directors past and present, and the wonderful staff of the Community Relations Department.

I have often asked myself why so many good people join together to do good things for the School? I have a short list of 10 things:

1. Inspiring staff, who have helped students lift academic and sporting standards at all levels over recent years
2. Co-education, in a world still battling with equality of opportunity
3. Timbertop, that life-changing adventure
4. Boarding, which builds a strong community and friends for life

5. Positive Education – the first school in the world to teach all students, staff and the wider community how best to flourish in a world of increasing anxiety, depression, self-harm, suicide, drug and eating disorders
6. Scholarships, and especially what they say about the culture of the School community, with over 300 of just over 1,500 students on scholarships, and plans to increase that number
7. Australian, Christian and Anglican values with a warm welcome for all faiths
8. An all-round and character-building education, now teaching creativity and innovation as important skills for 21st century success
9. The diverse community of students, staff, parents, grandparents, past parents, and OGGs, HOGs and COGs, from all around Australia and the world
10. Independence – the capacity to do what we think is best, to build on long established strengths, and to adopt evidence-based and world-leading innovations like Timbertop, the International Baccalaureate and Positive Education

Underlying all these wonderful things is a strong and rare culture. To me this is why the School is so special and I think this is why so many people support the School.

Let me ask you, what is education all about? What is the most important knowledge we can offer to our children? How can we best help each child learn what matters most in life; about how to flourish as individual students and adults? The Christian Bible provides some guidance for me on this. In Chapter Two of the Book of Genesis, humanity is given “the tree of knowledge of good and bad”. So, if this is the important knowledge, then how do students learn and experience what is good and bad, what is right and wrong? How do they learn the courage to do what they believe is good and right, and the courage to be true to themselves?

Field-Marshal William Slim was a General in the Second World War and then Governor-General of Australia. Slim said: “Courage is a mental state, an affair of the spirit, and so it gets its strength from spiritual and intellectual sources. The way in which these spiritual and intellectual elements are blended, I think, produces roughly two types of courage. The first, an emotional state which urges him (or her) to risk injury or death – physical

**A STRONG  
AND RARE  
CULTURE**

courage. The second, a more reasoning attitude which enables a man (or woman) coolly to stake career, happiness, his (or her) whole future on his (or her) judgment of what he (or she) thinks either right or worthwhile – moral courage.”

This helps explain to me why former Headmaster and founder of Timbertop, Sir James Darling, valued “moral and intellectual courage” so highly. If you think these things matter, as I do, then the question for every parent is: which school will offer children the best chance to learn good from bad, and right from wrong, and to gain moral and intellectual courage, and so too develop character? In my opinion that school is Geelong Grammar School.

**Bill Ranken (M'72)**

Chair, Geelong Grammar Foundation

## FOUNDATION FINANCIAL SUMMARY

For over 150 years Geelong Grammar School has been entrusted with the formation and education of young men and women. Many parents, Old Geelong Grammarians and friends of the School have provided gifts and endowments, helping to create the School we have today. The foresight and generosity of donors has been and is transformational. The Geelong Grammar Foundation now leads the philanthropic and fundraising activity for the School and is responsible for ensuring that each gift is used or endowed effectively and as intended by each benefactor. The Foundation is appointed by the School Council to be Trustee for the Scholarship Fund, J.R. Darling Memorial Fund and the Geelong Grammar School Endowment Trust.

## RECENT PERFORMANCE

# OGGREPORT

I went to Clyde School from 1966-1971, where I witnessed GGS boys arriving by the busload for our school dances. I joined the OGG Committee as an ex-officio member in 2009 when I became President of the Clyde Old Girls' Association (COGA). I have been lucky to serve alongside three fine former Presidents in Fiona Ratcliffe (Archer, Je'77), Rob de Fegely (FB'74) and Peter Chomley (Ge'63), and to have worked with excellent fellow committee members.

It has been a pleasure to work with Council Chairman, Jeremy Kirkwood (FB'79), and Foundation Chairman, Bill Ranken (M'72). I thank them for their exemplary leadership and governance, their friendship and support. I would like to thank Tony Bretherton, Director of Community Relations, Andrew Moore, Commercial Director, Charlie Scudamore, Vice Principal, and all their teams for their exceptional work in supporting and promoting the School, its building funds, educational programmes, scholarships and Positive Education.

The OGG Association has been deeply affected by the Royal Commission into Institutional Responses to Child Sexual Abuse. A number of OGGs nominated for the recently formed Recognition Committee, chaired and selected by David Moore, a consultant in restorative justice and reconciliation in abuse cases. Thank you to Stephen Meek, Principal, for his steadfast and exemplary leadership and decision-making throughout this difficult time. He has earned the gratitude, respect and trust of the wider school community.

The OGG committee is constantly reviewing its activities and seeking new initiatives to fulfil its aims. Our Vice President, Lachie Stevens (M'96), has organised a structural framework, defining various committee roles and responsibilities (or portfolios). Ian Coltman (A'77) has provided an excellent review of the OGG rules and regulations, ensuring our constitution is complete and correct. Nina Anderson (Thomas, CI'93) is developing an OGG social media and communications strategy which embraces the digital age of Facebook, LinkedIn and Twitter. Our thanks to Nina for also organising the very successful OGG Business Lunch in March. Simon Kemp (Cu'70) has provided invaluable help with the social media strategy and is liaising with the School to assist Edward Cabot (P'82) and Susie Officer (Potter, Je'83) with the cataloguing of Michael Collins-Persse's unique collection of records and memorabilia. Liaison with the OGG branches is being reviewed by Pin Affleck (CI'97) and Sandy Mackenzie (FB'59), who joined the committee in 2015. Pin also helps to co-ordinate the Year 10 Career Discovery Day, assisted this year by new committee member Annabel Southey (CI'02).

Thank you to Honorary Secretary and Alumni Relations Manager, Katie Rafferty (Spry, Ga'84), who works tirelessly to maintain our database, records and calendar; organising meetings, utilising social media and liaising with relevant GGS staff. Thank you to our Treasurer Stuart Whitehead (Cu'94), who chairs the OGG Finance Committee, comprised of Tim Bayles (FB'99), John Cleary (M'99), James Hocking (FB'96),

## SUPPORTING AND PROMOTING THE SCHOOL

Will Richardson (M'02) and William Riggall. Deidre Griffiths (He'68) is the HOGA President and her leadership and liaison with The Hermitage community is much appreciated. David Henry (FB'69) has initiated the popular OGG Motoring Event, which takes place on the same day as the OGG Tower Lunch in November. This year we welcomed Bill Ferguson (P'72) to the committee. Bill is interested in reviewing OGG relationships and projects, including the proposed restoration of the Bracebridge Wilson and Cuthbertson memorial sites.

Thank you to outgoing UK Branch President, Tim Tyler OBE (P'54), and Secretary, David Hudson (Ge'68), for their outstanding service to the OGG community over many years. Thank you also to Malaysian Branch President, U-En Ng (Cu'93), and Secretary, Fong Thong (Ga'85), who hosted a successful OGG Asia reunion in Kuala Lumpur last October.

The Clyde School Archives have been catalogued and memorabilia displayed at Clyde House by Jackie Mackinnon (Kelly, Cl'69) and Sue Schudmak (Sproat, Cl'64). Their painstaking and generous voluntary work over several years is greatly appreciated. Peter Thompson (M'77) retired from the committee in 2015. We thank him for his generous service to the Association, particularly through the WH Pincott Club and the John Landy Club. Andrew Swan (Fr'07) stepped down in 2016. We thank him for his excellent work in careers and mentoring. To all OGGs who contribute generously of their time, expertise and hospitality to support the School – thank you so much.

**Margie Gillett (Cordner, Cl'71)**  
President, Old Geelong Grammarians
