

Wednesday 14 July 2021

Dear Families and Friends of Geelong Grammar School,

COVID-19 (Novel Coronavirus) – Update #29 as at 3.30pm on Wednesday 14 July

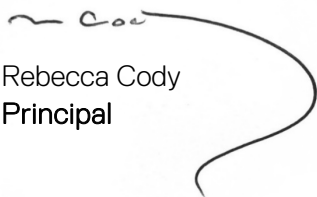

Notwithstanding the uncertainty of the Delta COVID-19 variant outbreaks across Australia, and particularly in Greater Sydney, we have been uplifted by the positive and purposeful start to Semester 2 across our four campuses (both on campus and remotely). We acknowledge our disappointment that some of our interstate families are yet to join us on campus for the start of Term 3. We look forward to the safe return of all our students in the coming weeks and will continue to work determinedly to assist this outcome. Our thoughts are with those families where extended stay-at-home restrictions have been imposed, and more broadly with all those who are unwell, as well as the frontline experts who care for them.

Public Exposure Sites

We urge our community to check the updated list of [public exposure sites](#) published on the Victorian Government's COVID-19 website, with particular reference to Level 2 of the MCC Members' Reserve at the Carlton v Geelong AFL game on Saturday 10 July, which has been listed as a Tier 2 exposure site. Anyone who has visited this location at that time should urgently be tested, then isolate until confirmation of a negative result. For further information about public exposure sites in Victoria please visit the [Government's COVID-19 website](#).

The spread of the Delta COVID-19 variant is a timely reminder of our need to remain vigilant in our processes and protocols to keep one another safe. As ever, the School will communicate swiftly and accurately with our community as the situation evolves. The [COVID-19 page](#) of the School website will be refreshed as required; we encourage you to check this site and thank you for continuing to direct all COVID-19 related queries to C19questions@ggs.vic.edu.au.

Yours sincerely,

Rebecca Cody
Principal
