Geelong Grammar School (GGS) acknowledges the commitment made by parents who have chosen to send their children to GGS. School Council sets fees at a level to enable the ongoing delivery of an exceptional holistic education for all students and to fund the sustainability of the School, both now and into the future. Staff salaries represent more than 60% of the School's overall costs. The School must also budget for student services, utilities (power and water), building and maintenance, loan repayments, capital projects, catering and cleaning. GGS has a strong focus on investment choices that prioritise student outcomes.

**BILLING DATES**
